4. Enter availability by going to My Availability under Personal Info.

5. You must enter dates you ARE AVAILABLE to work. To do that, you must make an entry green by clicking on the date and indicating the time on that day that you are available. Under Entry Type, check the "Available" radio button. Check MAT Assigning under "Applies To." You may set up a recurring entry if you'd like where it says "Occurs"; e.g., every Thursday to be available 6:30pm onwards. In order to show up to be assigned, you must not only be certified for the event you which to work (see #4) as well as available for that date (must show green on the calendar).

*In this example, this referee would show as available on Thursday, 6/2 from 6:30pm-11:59pm.*

The form is titled 'Availability Maintenance' and 'New Availability Entry - Official'. It has two columns for 'Date Entry' and 'Time Entry'. The 'Date Entry' column has 'Start' and 'End' fields both set to 8/2/2012. The 'Time Entry' column has 'Start' set to 6:30 and 'End' set to 11:59, with AM/PM radio buttons. Below these are 'Entry Type' radio buttons for 'Available' (selected) and 'Not Available'. An 'Applies To' section includes checkboxes for EPSC, MASL, MISQA, RefereeAssignor.com, JAH SCHEDULING, MAT Assigning (checked), MRL, and SMSRA. There are 'Select All' and 'Clear All' buttons. At the bottom, there are 'Occurs' and 'For' dropdowns, a 'Notes' field, and 'SAVE (Add Entry)' and 'Cancel' buttons.

A calendar for August 2012. The days of the week are Su, Mo, Tu, We, Th, Fr, Sa. The dates 29, 30, and 31 are in red boxes. The date 2 is in a green box, indicating availability. The rest of the calendar cells are light blue. At the bottom, there is a red button that says 'Delete ALL Entries For Aug 2012'.

#### 4. [MYSA & TCSL Background Check](#)

The Minnesota Youth Soccer Association & Twin Cities Soccer Leagues require that all adult referees complete an annual background check. All referees who are at least 18 years old must meet the background check requirements before they can officiate in any MYSA matches.

As of October 2016, background checks are initiated through the Affinity Sports Registration platform, though they are still processed by the McDowell Agency. This process will allow returning participants to easily renew their background checks, and will allow new participants to complete a background check and create an account in the registration platform at the same time.

Click on the link below to begin your background check. Technical questions regarding the process or account information may be directed to the Affinity Sports helpline at 855-703-2578.

## 8. [Payment procedures](#)

All referee payment is distributed via GameOfficials, through its payment tool GOPay.

Information for how to get set up is located here:

<http://www.screencast.com/users/GameOfficials.net/folders/GOPay/media/11a9689e-96a1-4e8f-b20c-a9440b5b1793>

Referee payment is processed approximately every two weeks during the summer season and once at season end at the conclusion of the Fall season. Please ensure you read and understand the “Referee Payment Terms” on the MAT Assigning group homepage.

Additional information is posted on GameOfficials and you are responsible for understanding payment terms and conditions.

## 9. [Inclement Weather Policy](#)

It is the responsible for each referee working MAT Assigning assigned matches to strictly adhere to the MYSa weather policy, which can be accessed here: <http://www.mnyouthsoccer.org/page/show/692946-mysa-weather-policy>

Specifically regarding lightning and inclement weather:

- If lightning is within five miles, with or without hearing thunder, the game(s) or practice(s) should be suspended and shelter sought. A lightning detector can identify the distance accurately but may not be available. A rough guideline is to measure the time between the lightning flash and hearing the corresponding thunder. If it is 30 seconds or less, seek shelter. It may not be possible to determine which lightning strike generated which roll of thunder. A simple rule: If you can see it or hear it, clear it!
- MYSa recommends that participants seek immediate shelter in their automobiles or a designated severe weather shelter, if there is one nearby. Smaller, open structures, tents, trees, isolated

areas, etc, should be avoided. Cars, with windows rolled up or buses, can provide good shelter. Avoid contact with metal or other conducting materials to the outside surfaces. Do not stay in open, unprotected areas.

- Games should not be restarted for at least 30 minutes after the last lightning strike is seen or roll of thunder is heard.
- Tournaments should inform participating teams of notification and evacuation plans and shelters near the playing sites.

#### **MAT Assigning - policy for payment during weather-related incidents:**

- If a referee arrives at match, and the match is canceled because of weather before the match, the referee will be paid in full for that match.
- If a referee is assigned a doubleheader, and the first match is canceled because of weather, the referee will be paid in full for that match. It is the responsibility for the referee to stay at the playing field to see if the next match will happen as scheduled, unless the referee is communicated otherwise by club personnel or MAT Assigning staff. If the second match is canceled before the start, the referee is paid for the first match only.
- If a referee is assigned a doubleheader, and the first match is canceled because of weather, the referee will be paid in full for that match. It is the responsibility for the referee to stay at the playing field to see if the next match will happen as scheduled, unless the referee is communicated otherwise by club personnel or MAT Assigning staff. If the second match starts and is later postponed, the referee is paid for the second match as well.

**UNDER NO CIRCUMSTANCE SHOULD PAYMENT OUTCOMES BE AN ENCOURAGING FACTOR TO PLAY A MATCH IN UNSAFE CONDITIONS.**

## **10. Frequently Asked Questions**

### **Q. How are assignments made?**

A. All assignments are made via GameOfficials.net. Each referee is responsible for keeping preferences and availability up-to-date at all times.

### **Q. Can I self-assign myself to matches?**

A. Yes! You may self-assign U9-U12 matches. To self-assign, click on the link "Self-Assign" link and view the games that are available. You will only see games for leagues you are certified for (My Preferences : League/Tournament Preferences) and games on days/times you are available for (My Availability).

### **Q. May I request games that are open that are U13-U19?**

A. Yes! To do so, visit the Open Games link in GameOfficials. Email us the corresponding game number(s)

and preferred position(s).

**Q. How often are assignments published?**

A. Assignments are made in real-time, so it is important to have availability entered for as many future dates/times as possible.

**Q. What happens after I receive an assignment?**

A. When you are assigned a game, you will receive an email and, depending on if you set up your preferences to allow it, a text message. When you receive this communication, it is up to you to accept the assignment. To do so, you may reply to the email/text message with “accept” in the body of the email/text message. You have 48 hours to accept the assignment (less if the assignment is within 48 hours), although it is appreciated and strongly encouraged to accept your assignments within 24 hours.

**Q. What happens if I accept a game but then have a conflict?**

A. Life happens. We are generally understanding when conflicts arise, but every effort should be made to keep and honor assignments. Under no circumstance is it acceptable to decline an assignment for one assignor only to take a different game from a different assignor.

**Q. How and how often are payments issued to officials?**

A. All payments are issued via GameOfficials’ GOPay service. Be sure to have a pay method on file for this service. For more info and instructions for setting this up, visit: <http://www.screencast.com/users/GameOfficials.net/folders/GOPay/media/11a9689e-96a1-4e8f-b20c-a9440b5b1793>. During the summer season, every effort is made to issue payment bi-weekly to referees.

**Q. Will I receive a 1099?**

A. Maybe. Each individual club issues compensation to referees; MAT does not. If you earn more than \$600 with any individual club, you will receive a 1099 from that club?

**Q. What if I show up to a game and there are no teams?**

A. You will be paid. Be sure to notify MAT Assigning staff if this happens.

**Q. What if I only want to be an assistant referee?**

A. That is ok! We take experience and comfort level into account when making assignments.
